The club was approached about providing show “clean up” services for the Monroe Kennel Club’s 3 day weekend the end of September. The vote was a unanimous “No”

## New Business:

None

## Old Business:

Lanalee found out more information about the scent Trial. There are approx. 300 runs this weekend with \$6,000 income from entry fees. Minus expenses, the club’s profit was about \$2,000. We could have similar outcome with the right venue choice. At least 9 workers from the club would be needed.

The Nominating committee presented the slate. There is no opposition and the meeting is/was the last chance for additional nomination to be presented.
