We have \$170.00 to donate to rescue as a result of the best ridge contest, as well as Cory Bowers donated his honorarium back to go towards rescue. There was discussion on which rescue to donate the Money to. It was unanimous to donate it to the official Rescue of RRCUS. Mark has an email for RR club business. rrrcomtreasurer@gmail.com

UPDATE by EMAIL: Mark received a nice thank you note from the RRUS rescue group to the Club.

Lure Coursing Chair

Joe is busy setting the pullies for the next trial of the day. The weekend is going well with loads of compliments on the event. Great food, and nice trophies! HUGE thank you to Joe, and the club members who came out to make this a nice event!

UPDATE by Email: Steve needs the trailer off his property so we are looking for a new place to store it. Discussion about parking it in storage.

Agility Chair

There was discussion on using the new building AAKC has for one of our Agility trials. (VS Lapeer location for both) Ann T made a motion to hold at AAKC in August, and hold at the Lapeer location in November. All were in favor.

UPDATE by EMAIL: Mark ordered new MACH Bars and Agility Ribbons.

Conformation Chair

Lanalee-Not present.

We discussed the judges list should be obtained from AAKC and from DKC for our Regional in July, and for the supported show in June.

UPDATE by Email- Lanalee asked for approval from the club for \$40.00 to make the Club's Regional Results color in the Ridgeback magazine. All approved.

Update by Email- Lanalee emailed the club a list of judges provided by AAKC for the Regional specialty and supported show in July. Voting needed by 10-15-18

New Business:

NONE at meeting

Update by Email- Lanalee motioned the Club donate 1 leftover ArtEclectic trophy to be used at the National specialty for the raffle on Awards Night (to help promote attendance) All in Favor.

Old Business

Barn Hunt seminar- Angie has contacted the lady at Zodiac Ranch. Waiting to hear back re: weekends.

There was much discussion on the Holter monitor. Angie has priced them out. Range between \$1,800 and \$2,600 dollars. IF we participate in Dr. Muers study it costs roughly \$200 dollars to submit results for each dog. Discussion about having the expensive piece of equipment and having it available for club members, would need a caretaker in charge of who has it and when, and a rental or deposit fee to cover any damage to the unit while people have it. Also we run into the problem of if people have conflicts of when they need it. Over all we decided to table the idea for now. Too many issues at this point.

Meeting concluded by 12:20 p.m.

Braggs:

None

The next meeting will be a phone in Meeting on Thursday, October 18th at 7:30 p.m.
